

DIVE COURSES

SSI Courses

Stress & Rescue

The Stress & Rescue course is an important step in expanding a diver's knowledge and experience beyond a purely recreational level. This course is a prerequisite for all leadership training as well as a requirement, along with five specialty certifications, for the highest non-instructional level certification SSI offers, the MASTER DIVER. The course is demanding and is designed to develop the necessary knowledge and skills for individuals to effectively perform diver rescues and assists, manage diving accident situations, and render proper first aid. The course requires two classroom sessions and four open water sessions. The student must have completed CPR & First Aid training within the past three years to be certified.

24 hour cancellation policy strictly enforced. All participants must complete a medical and liability statement.

TIME: Day 1 - 7:00 am - 4:00 pm, Day 2 - 7:00 am - 4:00 pm
